carefully selected materials,  
skillsfully solved the details,  
which can withstand the time-out lines,  
dream to create living environments...*

## *Mobilya ve Dekorasyonda Türk imzası . . .*

Adını Kiraz ve Zeytin ağaçlarından alan KİZE, ilk faaliyetlerine 1989 yılında başlamış ve köklerinden aldığı güçle markasını bugüne taşıyan ve müşteri memnuniyetinde sınır tanımayan bir marka haline gelmiştir. Sahip olduğu kalite ve güven çizgisinden hiçbir zaman sapmayan KİZE vermiş olduğu bir röportajda şöyle demiştir: “Bizim için küçük ya da büyük iş diye bir ayırım söz konusu olamaz, olmamalıdır. Çünkü her işe aynı titizlik ve incelik gösterilmezse başarısız olursunuz. Başarısızlık da başarının üstünü örter. İlkemiz isteklerinize kaliteyi, zaman birimini ve mimari güzelliği sunmaktır. Bunun dışında bizim için en önemli unsur ortaya çıkan işin müşteri beklentisinin üzerine çıkmasıdır. Bu ise bizim için en büyük keyiftir.” Bu politikanın daim oluşundan ileri gelecek ki referans değerleri hızla büyümüş, buna karşılık; 2016 yılı sonlarında KİZE Mobilya kapasitesini yaklaşık üç kat artırmış ve teknolojinin zarafetle buluştuğu 20.000 m2 lik bir mobilya üretim tesisi haline dönüşmüştür. Seri olduğu kadar hassas işçiliği ile faaliyet gösteren üretim tesisinde, CNC işleme, presleme, ebatlama, kenar bantlama, kalibre, profil çekme, kaplama dikme-kesme teknolojisi ve modern cila kabinleri bulunmaktadır. KİZE'ye göre işin sırrı; çalışmak ama çok çalışmaktır... Proje bazlı mobilya üretiminin gereği tüm süreçleri yönetmekte yetkin, alanında uzman mimari kadro, tecrübeli montaj personeli, kemikleşmiş üretim ve idari kadrosu ile mobilya konusunda geçmişin tecrübesine çağımızın ihtiyaçlarını da katarak ülke ekonomisine değer katmak, insan ayırımı yapmadan oluşturmuş olduğu aile ortamında her çalışanın katkısı ile daha da güçlenmektedir. Kuruluşundan bu yana kendini sürekli geliştiren sınırsız müşteri memnuniyeti prensibi ile müşteri isteklerini kaliteli ve güvenilir bir şekilde zamanında karşılamayı ilke edinen KİZE'de otel, hastane, toplu konut, alışveriş merkezi, restoran, özel konut, ofis, villa, yat ve yalı gibi çok özel tasarımlar ve projeler çağımızın iç mimarisi ile yoğrulmakta ve KİZE'li ustaların ellerinde hayat bulmaktadır. KİZE, Amerika'dan Rusya'ya, Kazakistan'dan İran'a, Romanya'dan Türkmenistan'a, Azerbaycan'a, Gürcistan'a birçok ülkeye uzanan projeleriyle her şantiyesinde ve katılmış olduğu fuarlarla yeniden görücüye çıkmakta, kaliteden ödün vermeyen üretim ve uygulama anlayışı ile yeni projelerin kapısını aralayarak artan ciroyuyla dünyanın dört bir köşesine ulaşmaya devam etmektedir.

## *Turkish signature in Furniture Design & Production . . .*

Taking its name from cherry (kiraz) and olive (zeytin) trees, KIZE has become a brand that started its first activities in 1989 and carries its brand name to these days with its strength from its roots and unlimited customer satisfaction. In an interview given by KIZE who never deviates from quality line and assurance: “For us, a distinction of small or big project should not be. Because if you do not show the same diligence and subtlety to every job, you will fail. Failure also covers superiority. Our purpose is to present quality, time and architectural beauty to your requests. Apart from this, the most important fact for us is that the emerging work rises above the customer expectation. This is the greatest thing for us. “ It is arise from this permanent policy that the future reference values have been growing rapidly. By the end of 2016, KIZE Furniture had increased its capacity by nearly three times and turned into a 20.000 m2 furniture manufacturing facility, in which the technology met with grace. CNC woodworking, pressing, sizing, edge banding, calibrating, profile forming, veneer cutting and splicing technology and modern lacquer cabins are located in production facility which operates with the same precision as the serial. According to KIZE, the knack is; to work but to work hard ... And also as the requirement of project-based furniture production to enrich to the country's economy with expertly equipped architectural staff managing the whole processes, experienced installation and ossified production and administrative staff by supply our needs with past experiences and to get stronger with the contribution of every employee in fireside. In KIZE, who adopts the principle of unlimited customer satisfaction and continuously develops, meets customer demands in a timely and ensuring the quality, lots of special designs and projects such as hotel, hospital, mass housing, shopping center, restaurant, private residence, office, villa, mansion, yacht etc. are kneaded with the interior design of nowadays and liven up in masters hand of KIZE since its foundation. KIZE re-emerges with projects ranging from America to Russia, Kazakhstan to Iran, Romania to Turkmenistan, Azerbaijan and many countries to Georgia and exhibitions that have participated and progress to reach all four corners of the world by opening new gates of new projects with increasing turnover without sacrificing quality.
